Session : 2023-2024

### Best Practice 1

CCRRE stands for care, cure, respect and recreational environment.

#### Objectives

- To Maintain the current vegetation within the college campus as well as surrounding.
- New green spaces should be created whenever feasible, particularly around the playground and on the college campus.
- To reduce pollutants within and outside the building by implementing the "3R" approach (Refuse, Reuse, and Recycle) for cutting down on plastic usage.
- To educate the college's stakeholders and the general public about environmental issues.
- Organization of different social and college level programs to save environment.

### Best Practice 2

NSS-"Youth Leadership and Community Development through NSS"

#### Objectives

- To comprehend the society in which they operate.
- To become aware of the community's needs and issues and include them in finding solutions
- To provide students a platform to engage in real-world activities, the college helps them develop into responsible Indian citizens.
- To understand oneself within the framework of their community
- To cultivate civic and social responsibility among themselves
- To motivate students to contribute towards nation and community through NSS. Extension activities make up the third aspect of education
