DEPARTMENT OF ZOOLOGY Report 2023-24

1. Faculty profile

Sr. No	NAME	DESIGNATION	QALIFICATION	EXPERIENCE(Years)
1	Dr. M.S.Ambatkar	Prof. & Head	M.Sc.,B.Ed., Ph.D.	31 years
2		Assistant professor	M.Sc. ,M.Phil, B. Ed.,	11 years
4	Dr.A.M.Bhende	Assistant professor	Ph.D.	11 years

2. Student Information

Class	Admitted Students	Appeared for exam	Pass	Success %	Fail
B.Sc. Sem. I	105				
B.Sc. Sem. II	105				
B.Sc. Sem. III	97	96	94	97 %	02
B.Sc. Sem. IV	97	-		Mt 400	
B.Sc. Sem. V	85	84	81	97 %	03
B.Sc. Sem. VI	85		W. W.		

3. Changes made in the courses or programmed during the past two years and the contribution of the faculty to those changes.

Nil.

4. The learning resources of the department

Library

- In Zoology, our library has 354 (Title-170) books costing of Rs.113145 up to 30/04/2024
- In Library number of Journals and Magazines are available.
- Zoology Internet Facility and also N- List online journal are available.

5. Number of major and minor Instruments in the Department

- Zoology Department has major and minor instruments Costing Rs.642238 up to 30/4/2024. These instruments are used by students for regular practicals.
- 6. Study Tour: ----
- 7. Modern teaching methods practiced and use of ICT in teaching learning
- a) Teaching methods:
 - LCD Projector with diagrams, Youtube app, black board & chalk method.

b) Evaluation methods:

• Unit Test conducted in classroom, Oral test in every lectures, question answer practices within each 2 days.

c) Use of ICT:

LCD Projector, Computer, Scanner, Internet facilities, smart class room etc.

8. Participation of teachers in academic and personal counseling of students

The teachers of the department interact with the students in the laboratory personally at
the time of practical and conduct some extra classes during remedial coaching under
menter – mentee system. During this interaction students can talk freely with the

teachers. From this interaction the faculty comes to know the socioeconomic background of the student. Teaching faculty can solve personal difficulties of the students & also give personal financial assistance to needy students. The faculty also does academic as well as personal counseling in selecting the proper carrier in future.

ANY OTHER ACTIVITY:

- 1 Coordinator of Lifelong learning and extension
- 2 Coordinator of Health check up committee.
- 3 Member of NSS committee.
- 4 Member of admission committee.
- 5 Participation in cultural programme organized by tahsil kaaryaalay Samudrapur .
- 6 Participation in Rangoli competition organized by Voting registration officer 46-Hinganghat Vidhan sabha voter sangh Hinganghat District Wardha.
 - 7) Number of Ph.D registered students 04

DEPARTMENTAL ACTIVITY:

1) Bridge Course for BSc Student.

The purpose of a bridge course is to facilisate a smooth transition for individuals from use relocational level to another or from one discipline to another. It serves as a preparatory program that helps Students Bridge the gap between their current knowledge and the requirements of the next academic level or the target field of study. Bridge courses aim to prepare raudents apademically for higher education by reinfecting fundamental coverpin and skills.

*Introduction of the event: (100 words)

- Objective of the event: (Maximum 5 bullets points)

 Bishance loandational knowledge The bedge cause helps students build a strong foundation in circ subjects related to Zivology.

 Smooth transition. Bisk-bridge course are designed to case the transition from school education to higher relucation.

 Strengthening basics. The bridge course ensures that students have a close undestraining of fundamental precipies and concepts.

 Academic preparedness (Ultimately, the privary objective of a bridge course is to ensure that Sic students are academically prepared.

 Indeging the knowledge gap The course seasies students in bridging the gap between the vyllabus they studied in junior college.

- Outcome:

 Academic Readiness: The bridge course helps B.Sc. students become academ

 - Academic Readiness: The bridge course helps its C. students become become prepared for the challenges.

 Improved Performance: Students who participate in a bridge course have experience improved performance in their B.C. studies.

 Confidence Boost Bridge course boost students' confidence levels.

 Better Understanding of Career Options: This bridge courses has included career courseling or information sessions that helped students gain a clearer understanding of various career paths available to B.S. graduates.

Name of activity: One they educational four to Gorewalts National Zeological Park , Napput and Ruman Science Centre, Napput

Name of Programme Organizer (Co-ordinator): Do M.S. Amballar sir

Details of properization with Address. One day educational tear organized by the department of science (Breany, 200kg), chemistry, physics, mathematics, Computer and Computer

Date of Conduction: (1/10/2023

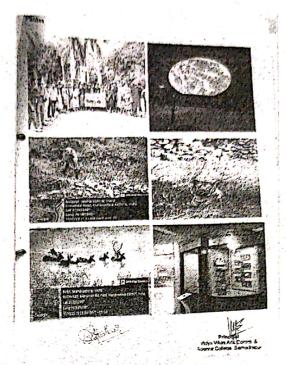

Brief Description: Department of Science, VolyaVikas Arts, Commerce and Science College, Semudapar organized a nee day relucational tour to Corevnata National Zeological park and Raman Science Center, Nagari, Tour was organized by Du. N. S. Shibhate, Du. S. Anbeitse, M. S. Dehankliykagh, Ms. Kiras Daf and all other fuenties of science department work special efform. Corevnata National Zeological Park offered an exertion staff organization in which stadents observe ministal like tigers, been; Nillag Robin addect. Our educational tour to the Raman Science Contro in Nagare was an entipletning and enriching experience. Date of the highlights of our visit was the Science on a Sphere, a special projection system that displayed animated images of Earth, the plantex, and other celestial bedies. In this way Students onjoyed a lot and prepared substational four report. Outcomes of the activity:

- tennes of the activity:

 Student's learned how the non serves as an educational resource and a hub for research on willfill and environmental conservation.

 Student's were interested in how the non may also serve as a center for community.

- Students learn how the Raman Science Centre premo people of all ages. Students enjoyed it a lot.

6) Guest Lecture for Life Science Students by Dr. Rahul Permane.

Programme Report

- . Name of the Organizing Department; P.G. Dept. of Bottony and Zoology
- . Date, Venue, Time/ Duration: 16th Pehruary 2024 at Vidya Vikas College. Samudrapur in P.G. Botany Lab at 11:00 - 02:00 PM
- · Number of participated students faculty members research scholar Lab Attendants:-45+
- . Teaching Faculty:- Rabul Pawar, Anklin Thakure, Vaibhay Kahmube and Nikita Deotale.
- . Name of the speaker / guest: Dr. Rahad Permane,
- Name of the speaker / guest: Dr. Rahul Permane.
 Introduction of the event: Provide an overview of the interdisciplinary field of his sciences, emphasizing its importance in understanding living organisms and their environments. Highlight fundamental concepts in both botany and zoology, including taxonomy, physiology, ecology, and genetics. Discuss recent breathroughts and advancements in first sciences, showcasting how they impact both botanical and zoological studies. Explore the practical applications of fife sciences in fields such as agriculture, biotechnology, pharmaceuticals, and medicine. Incorporate interactive sessions and case studies to angage students actively, allowing them to apply theoretical knowledge to real-world scenarius.

bjective of the event;
1) Career Opportunities: Provide insights into various career paths available to M.Sc. graduates in bosany and zoology, including research, scademin, industry, and environmental consultancy.
3) Exhical Considerations and Responsible Conduct: Address the importunce of exhical conduct in scientific research and the responsibility of scientists in promoting susualnability and exhical practices;

- 3) Conclusion and Call to Action: Susainarize key faleneouslys from the lecture and inspire students to pursue further studies and research in life sciences, encuraging them to contribute mentingfully in the field.
 3) Networking and Cultibarrient: To Galilitate networking exportanciates between students and the guest lecturer, encouraging collaboration and knowledge exchange within the scientific community.
 5) Q&A Session: Allocate time for a question-and answer section, ditorting students to clarify doubts and seek further explanations on topics sincussed during the extension.

7) Goa Exertion Tour by Department of Zoology.

- . Name of Program: Gos Exerction Tour
- Name of the Organizing Department: Dept. of Zoology
- Date: 26 January 2024 to 02 February 2024
- · Number of participated students: 14
- Name of the Participated faculty: Dr. M. S. Ambatkar, Dr. A. M. Dlende, and Mr.
- Introduction of the event. An educational four was organized by our Department in the vection of winter. Our journey takes us to the captivating coastal paradise of Gos, recovered for its pestine beaches, vibrant culture, and rich hisoliversity. This tour offers an intensive experience. designed to explore the faccinating world of marine life, with a particular focus on the excretory system of sea creatures, and many old cultures, homes, Old Gos Church » Basilica of Bom Jesus Old Gos of the centering, and make and Cos, Portugues colony and many more.

 As we embed, on this adventure, participants can look forward to an array of engaging activities from seashore surveys. By experienced marine biologists and educators, this tour promises to be both educational and enriching. Throughout our time in Gos, we will delve into the intrinate both educational and envicting. Throughout our time in Goa, we will delve into the Intrinse consystems teeming beneath the waxes, enceuntering an astoonding diversity of marine species. From Colorful cord reefi to chaive sea turdles, each recounter offers a glimps into the worders of the underwater world and the vital role these creatures play in coastal environments. Moreover, this tour emphasizes the importance of conservation and sustainability. So, prepare to be Inspired colorates and amazed as we embark on this unforgettable journey to uncover the mysteries of Goa's coastal treasures and deepen our appreciation for the beauty and complexity of marine life.

I, "Marine Life Executions", Purisipants had the reportating to underly on golded executions to explore di-decrease makes life at Outer manufacture.
