were not

8. Participation of teachers in academic and personal counseling of students

The teachers of the department interact with the students in the Class room and Department of Commerce personally at the time of lecture and some extra classes during remedial caching under mentor-mentee system. During this interaction students can talk freely with the teachers. From this interaction the faculty comes to know the socioeconomic background of the student. Teaching faculty can solve personal difficulties of the students and also give personal financial

assistance to needy students. The faculty also does academic as well as personal counseling in selecting the proper carrier guidance for the future.
