College , Samudrapur , Dist. Wardha.**

Department of Home- economics

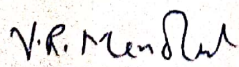

Report – 2020 – 21

Vidya Vikas Arts, Commerce and Science College Samudrapur was established in the year 1989. The subject – Home-economics was introduced in June 1994 . The syllabi framed by R. T. M. Nagpur University, Nagpur have been taught in this college .The papers like ; Family Resource Management and Interior Decoration for B. A. I., Nutrition and Dietetics for B.A. II. and Child Development have been taught to the final year students.

Besides the syllabi , vivid programmes and competitions have been conducted in order to make the students enlightened and self-confident. But due to COVID -19 Pandemic , these activities couldn't be organized. However, online classes are conducted to complete the syllabi. Unit tests and practical exams have also been managed through online and offline mode. Internal assignments are given to the students for their assessment.

Due to COVID – 19, R. T. M. Nagpur University, Nagpur decided to conduct online exam and so the MCQS have been supplied to the students for their convenience. Even online mock tests have also been conducted to make them aware about new online exam pattern. In order to solve their doubts, some notices and suggestions along with the instructions given by university have been supplied to them.

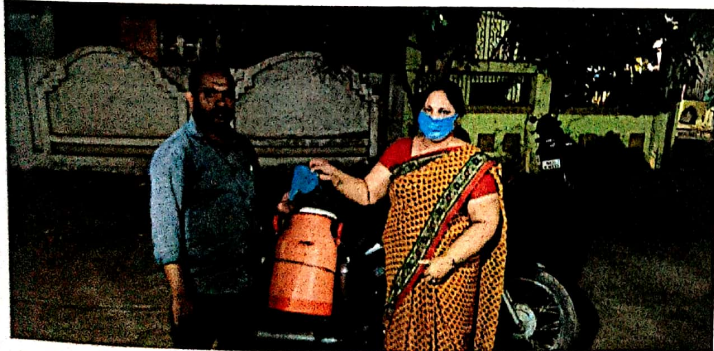

Hence, the report is submitted.
