- **Introduction of the event:**

On 21<sup>st</sup> September 2024, the Department of Botany, Vidya Vikas Arts, Commerce, and Science College, Samudrapur, celebrated the grand inauguration of its newly established Botanical Society. This momentous occasion was followed by an insightful guest lecture delivered by a renowned expert. The event was inaugurated by Principal Dr. K. G. Rewatkar and Head Department, of Botany, Dr. N. S. Shirbhate, who addressed the gathering with inspiring words on the importance of the Botanical Society. In his inaugural speech, Principal Dr. K. G. Rewatkar emphasized the role of such societies in enhancing students' academic and research potential. The primary aim of the Botanical Society is to cultivate an environment where students can explore the world of plants through various activities such as workshops, field trips, and research projects. The Head of the Department, Dr. N. S. Shirbhate, explained the objectives and vision behind the formation of the Botanical Society, which is to foster a sense of curiosity and interest among students in the study of botany, with a focus on local biodiversity, plant conservation, and practical learning.

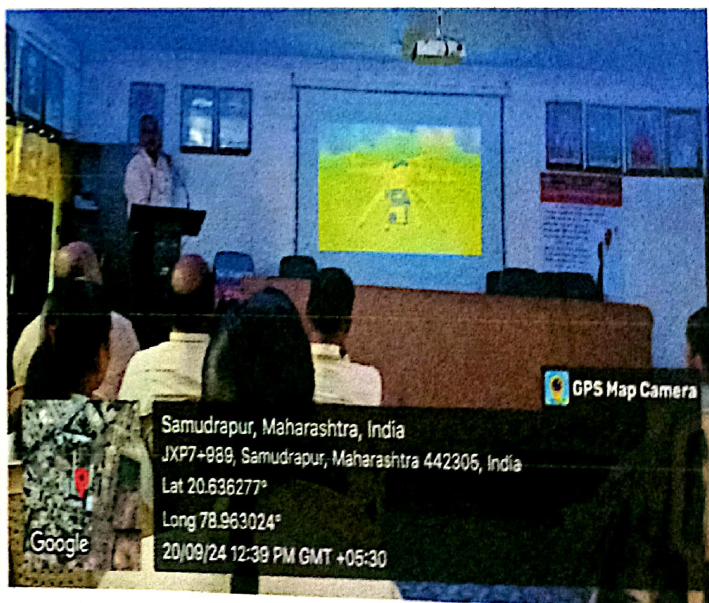

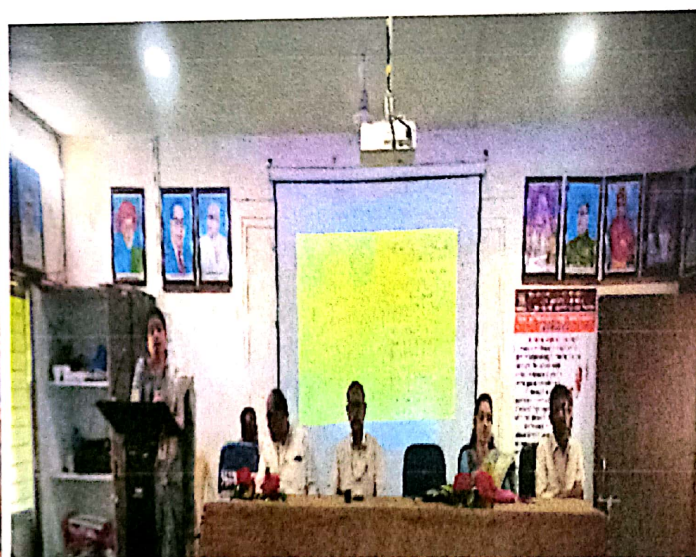

Following the inauguration ceremony, a guest lecture was delivered by Dr. K. G. Rewatkar, a distinguished educator with expertise in Physics. The topic of the lecture was "The future of Artificial Intelligence in Education", focusing on the recent advancements and research trends in biological science. The event concluded with a vote of thanks delivered by Dr. S. D. Yeotkar, a faculty member from the Department of Botany, who expressed gratitude to the guest speaker, the management, and the organizing committee for their efforts in making the event a grand success. The inauguration of the Botanical Society and the guest lecture provided an enriching experience for the attendees, inspiring them to delve deeper into the fascinating world of botany. The event witnessed active participation from students, faculty members, and distinguished guests.

## Objectives of the event:

- ❖ Create a platform for students, faculty, and enthusiasts to engage in botanical sciences.
- ❖ Foster curiosity about the importance of plants in ecological, economic, and medicinal fields.
- ❖ Update students on current trends, innovations, and research in botanical science.
- ❖ Connect students with experts and professionals who can share their experiences and insights.
- ❖ Promote discussions and interaction between the guest speaker, faculty, and students to explore current trends and challenges in Botany.
