Programme Report

- **Name of Program / Event:** Inauguration of Zoological Society
- **Name of the Organizing Department:** Department of Zoology
- **Date, Venue, Time:** 21st September 2024, Auditorium Hall, Vidya Vikas College, Samudrapur at 02:00 – 03:00 PM
- **Number of participated students:** 49
- **Name of the speaker:** Dr. Kishor Rewatkar, Dr. M.S. Ambatkar, Dr. A.M. Bhende, Mr. Vaibhav D. Kalambe, Miss. Nikita Deotale

Introduction of the event:

The Zoological Society aims to serve as a platform where students, faculty, and professionals can come together to exchange ideas, engage in research, and raise awareness about the importance of biodiversity, conservation, and the intricate relationships within the animal kingdom. Through seminars, workshops, and field trips, we will foster a deeper understanding of zoology, highlighting its relevance in today's world, where environmental challenges are ever-growing.

This society is not just an academic initiative but a community of individuals united by their love for the animal world and their drive to make meaningful contributions to science and society. By hosting events, organizing outreach programs, and encouraging active participation, we hope to inspire a generation of zoologists and conservationists who will lead with knowledge and responsibility.

Encourage the student to be active participants for the cause of wildlife conservation. Together, all the students ensure a brighter future for all living creatures that share this magnificent planet with us.

For this one committee is form having President, Vice-president, Secretary, Treasure and Fourmembers to Carry out various functions of Department of Zoology very smoothly

Objective of the event:

1. **Creating Awareness:** To raise awareness about the significance of zoology in understanding biodiversity, conservation, and ecological balance, especially in today's world facing environmental crises.
2. **Encouraging Collaboration:** To bring together students, teachers, and experts to facilitate collaboration on projects, research, and activities that contribute to zoological science.
3. **Developing Skills:** Through seminars, workshops, and field trips, the society will aim to develop critical scientific skills, such as fieldwork techniques, species identification, and ecological data collection.

4. Promoting Conservation Initiatives: To inspire and initiate conservation efforts at the local and global levels, motivating participants to take part in activities like wildlife conservation and habitat restoration.

Photographs

Outcome:

- * To know the value of each and every animal of this earth.
- * To focus on Research, Conservation and education related to the animals.
