Programme Report

- Name of Program / Event : Open quiz on National Science day
- Name of the Organizing Department: Vidya Vikas Arts, Commerce and Science College, Samudrapur.
- Date, Venue, Time/ Duration: 28 February 2023 at Auditorium Hall, Vikas College, Samudrapur at 11:00 to 12:30 noon.
- Number of participated students: 84
- Number of gift winner: 10

Introduction of the event:

Vidya Vikas Arts Commerce and Science College organized an Open Quiz Competition on the topic of General Science on 28th February, on the occasion of Science Day. The objective of the event was to promote scientific knowledge and encourage the students to develop a passion for science.

The event was attended by 84 participants who were excited about the opportunity to showcase their knowledge and skills in science. The program was organized by Praful Kalwade, the coordinator of the Department of Zoology, with the support of faculty members from various departments. The guest for the event was Rahul Pawar, the president of Marathi Vidnyan Parishad, and the chief guest was Vaishali Maske Madam from the Department of Physics.

Objective of the event:

- To promote scientific knowledge and understanding among participants.
- To encourage participants to develop an interest in and passion for science.
- To test the participants' knowledge and understanding of various scientific concepts.
- To provide a platform for participants to interact and network with peers and experts in the field of science.
- To enhance participants' knowledge and understanding of scientific concepts that will be useful in their academic pursuits and future careers.

Photographs:

Outcome:

- Participants gained a better understanding of various scientific concepts and principles.
- Participants were able to apply their knowledge of science in practical situations and problem-solving.
- The quiz helped to identify areas of strength and weakness for participants, which can guide future learning.
- The event provided an opportunity for participants to interact and network with their peers and experts in the field of science, building their professional network.
- Participants gained a sense of accomplishment and motivation to further pursue scientific knowledge and learning.
