## Programme Report

- **Name of Program / Event:** Scintillation 23 competition Wardha.
- **Name of the Venue / College:** Bajaj College of Science, Wardha.
- **Date, Time/ Duration:** 24<sup>th</sup> February 2023 at 8:30 – 4:30 PM
- **Number of participated students/ faculty members:** 04 students and 02 Faculty Members.

### Introduction of the event:

The Scintillation 23 competition was conducted by Bajaj College of Science Wardha on February 24, 2023, as a state-level competition. Students from various universities and colleges gathered there for the competition, and the students of B.Sc. First Year from Vidya Vikas College, Samudrapur, took part in this competition on the topic *Current Trends in Basic Sciences*. 04 students from various department of our college took participate in competition.

### Objective of the event:

- To enhance the creativity of students.
- To increase the confidence of students for various programmes and competitions organized by universities.
- Seminars fill this gap and also provide them the much needed arena to showcase talent. Whilst doing all this, it boosts their confidence and communication skills.
- Talking and learning about a new topic will encourage the students to explore new areas relevant to the topic. Students will feel motivated to research and learn new things. With proper guidance from teachers and experts, students feel motivated.
