Celebrating

“WORLD WILDLIFE DAY”

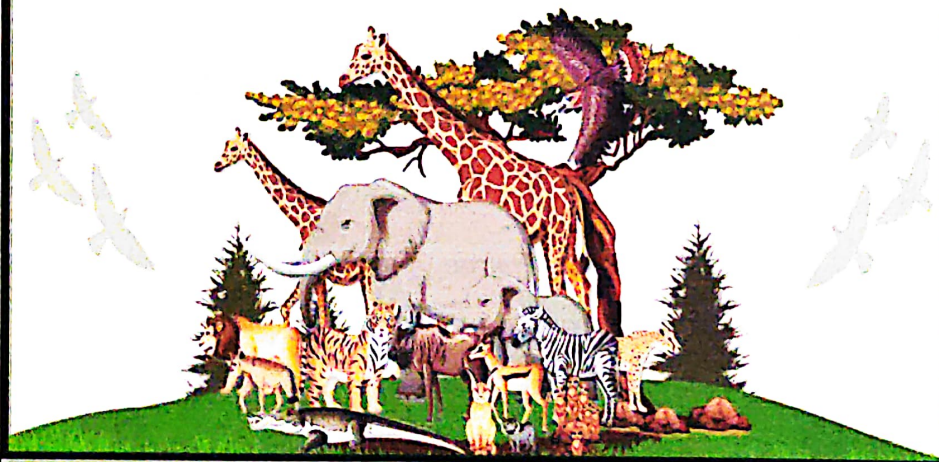

Date: 03 March 2025

Hello Everyone,

We are gather here to celebrate the program on World wildlife Day which is Always held on 3rd of March every year. Save Animals Save Nature.

WORLD WILDLIFE DAY CELEBRATION

WORLD — WILDLIFE DAY —

**SAVE
ANIMAL
SAVE
NATURE**

GUESTS

Dr. Kishor Rewatkar
Principal

Vidya Vikas Arts, Commerce and College, Samudrapur

Dr. Nayana S. Shirbhate
Vice – Principal

Dr. M. S. Ambatkar
Head and Professor

Dr. A. M. Bhende
Assistant Professor

Mr. Vaibhav D. Kalambe
Lecturer

Mrs. Nikita Deotale
Lecturer

Programme Report

- **Name of Program / Event** : World Wildlife Day Celebration
- **Date, Time/ Duration** : 03rd March 2025
- **Venue** : Auditorium Hall, Vidya Vikas College
- **Number of Participates** : 40
- **Present Dignitaries** : Dr. N.S. Shirbhate
- **Faculty Members** : Dr. M.S. Ambatkar, Dr. A.M. Bhende,
Mr. V.D. Kalambe and Mrs. Nikita Deotale

➤ Introduction of the event:

Department of Zoology organized and celebrate the “World Wildlife Day” on 3rd March 2025 at Vidya Vikas Arts, Commerce, and Science College, Samudrapur, with great enthusiasm and a strong message of conservation. This global event, observed annually, highlights the importance of protecting wildlife and preserving biodiversity. The celebration aimed to raise awareness among students about the urgent need for conservation, sustainable living, and the role of wildlife in maintaining ecological balance. The program was beautifully anchored and narrated by Miss Krushna Verma, who guided the audience through the event. Dr. Manohar Ambatkar engaged the students with an informative session on extinct species, particularly the *dodo* explaining the factors that led to its extinction and drawing parallels with present-day endangered species. Dr. Nayana Shirbhate delivered a thought-provoking talk on the prevention and overall importance of wildlife conservation, emphasizing the need for collective action to protect biodiversity. Adding to the significance of the event, Dr. Archana Bhende addressed the students, highlighting the critical role of wildlife in maintaining ecological balance. She encouraged students to adopt sustainable practices and take an active role in conservation efforts.

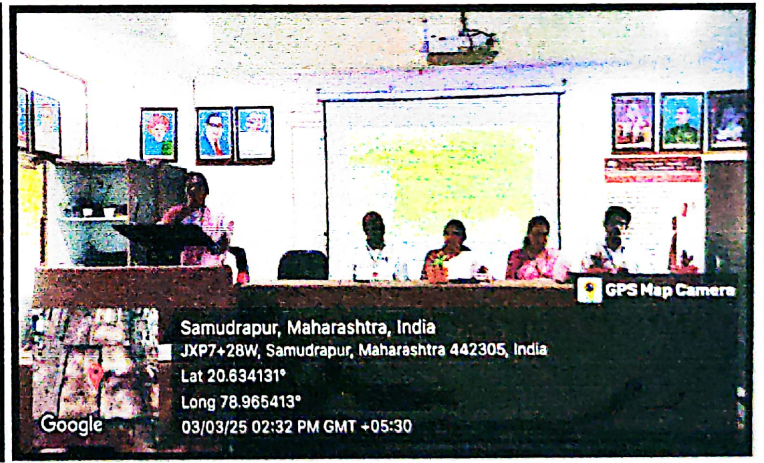

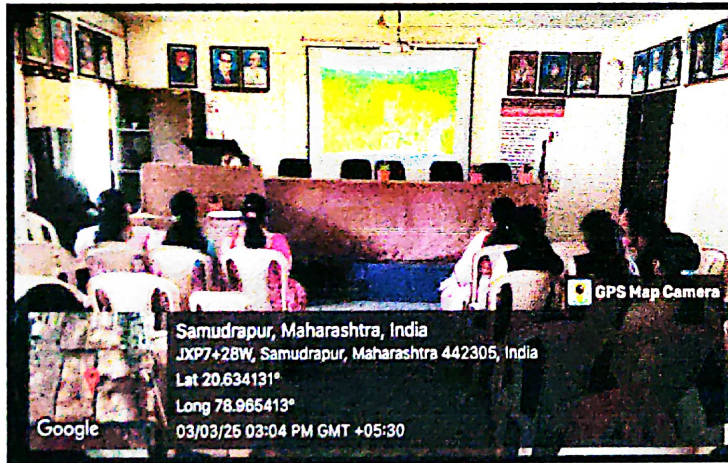

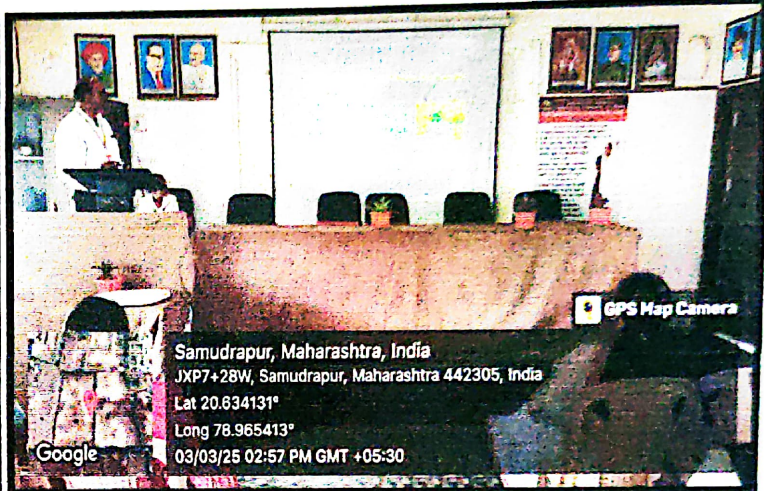

Additionally, faculty members enriched the event by showcasing short documentary videos that provided students with a deeper understanding of wildlife behaviour, natural habitats, and conservation challenges. These documentaries highlighted real-world scenarios, including human-wildlife conflict, climate change impacts, and successful conservation efforts worldwide. This celebration served as an educational and inspirational platform, encouraging students to take active roles in wildlife protection and environmental sustainability. The event reinforced the idea that wildlife conservation is not just a responsibility but a necessity for the future of our planet.

Objective of the event:

- The objectives of World Animal Day are multifaceted and encompass a wide range of goals, including:
 1. **Raise Awareness** – Educate students and faculty about the importance of wildlife conservation and the threats faced by various species.

2. **Promote Conservation Efforts** – Encourage sustainable practices and responsible behavior to protect biodiversity.
3. **Understand Ecological Importance** – Highlight the role of wildlife in maintaining ecological balance and supporting human survival.
4. **Inspire Action** – Motivate individuals to actively participate in wildlife protection initiatives and environmental sustainability.
5. **Address Human-Wildlife Conflict** – Discuss ways to mitigate conflicts between humans and wildlife, promoting coexistence through conservation strategies.
