#### **Outcome:**

- 1.It is a matter of concern how much the teachers and parents are aware of the reading of the students then it will definitely benefit the students.
- 2. Reading makes the personality of the students multi-faceted, increases knowledge, memory, improves concentration, reduces symptoms of depression and strengthens the mind by taking the support of reading.
- 3. Library should be used for all round development to be strong.

#### **Any Suggestion for future Improvement:**

- 1. A large number of library programs for students and faculty were advised.
- 2. Students, professors, researchers and other readers can be attracted to libraries.
- 3. This has motivated students in social and educational development.
