### Introduction of the event:

Intellectual Property Right Programme corrodngly organized by Vidya Vikas College, Samudrapur and Matoshri Ashatai Kunawar Womens College, Hinganghat was held on 7<sup>th</sup> October 2023 in online mode at Zoom Platform.

The programme commenced with a warm welcome by the Principal of Vidya Vikas College, Dr. Rewatkar, who expressed his enthusiasm for the event and highlighted the importance of intellectual property rights in today's world. His inaugural address set the tone for an engaging and educative session ahead.

Dr. Ambatkar, organizing secretary of this programme, introduced Ms. Megha Agrawal to the virtual audience. Dr. Ambatkar briefly outlined Ms. Agrawal's extensive experience as a Patent Agent and DST-TIFAC Women Scientist, emphasizing her significant contributions to the field of intellectual property rights.

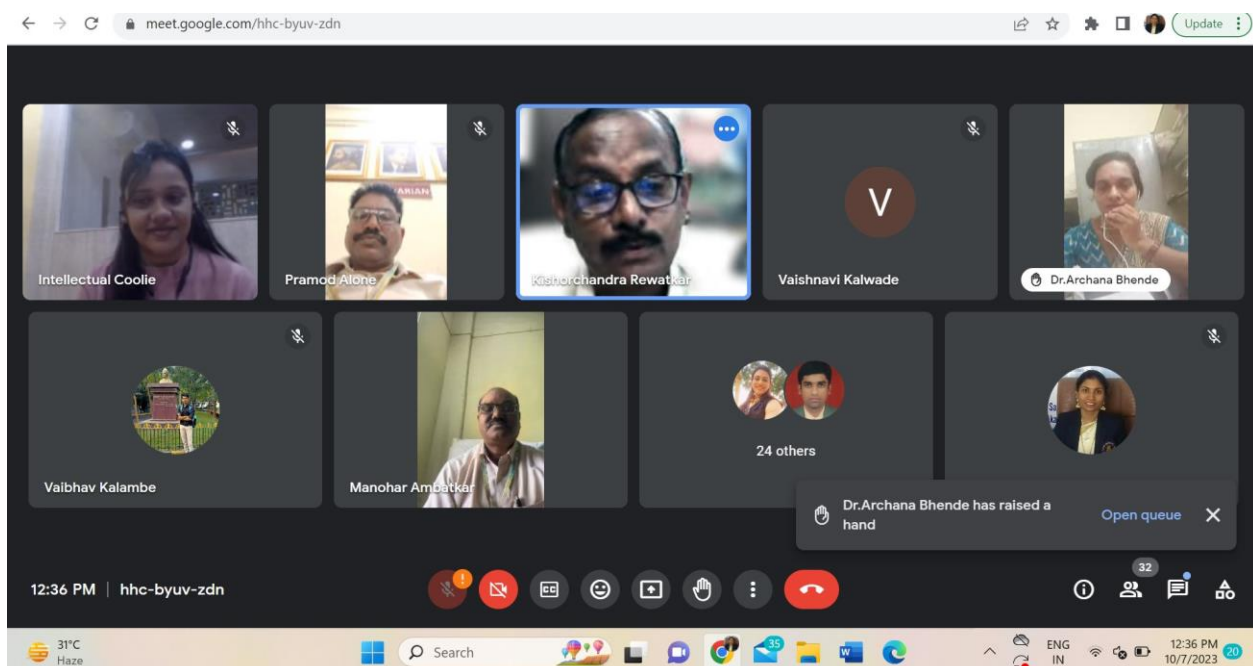

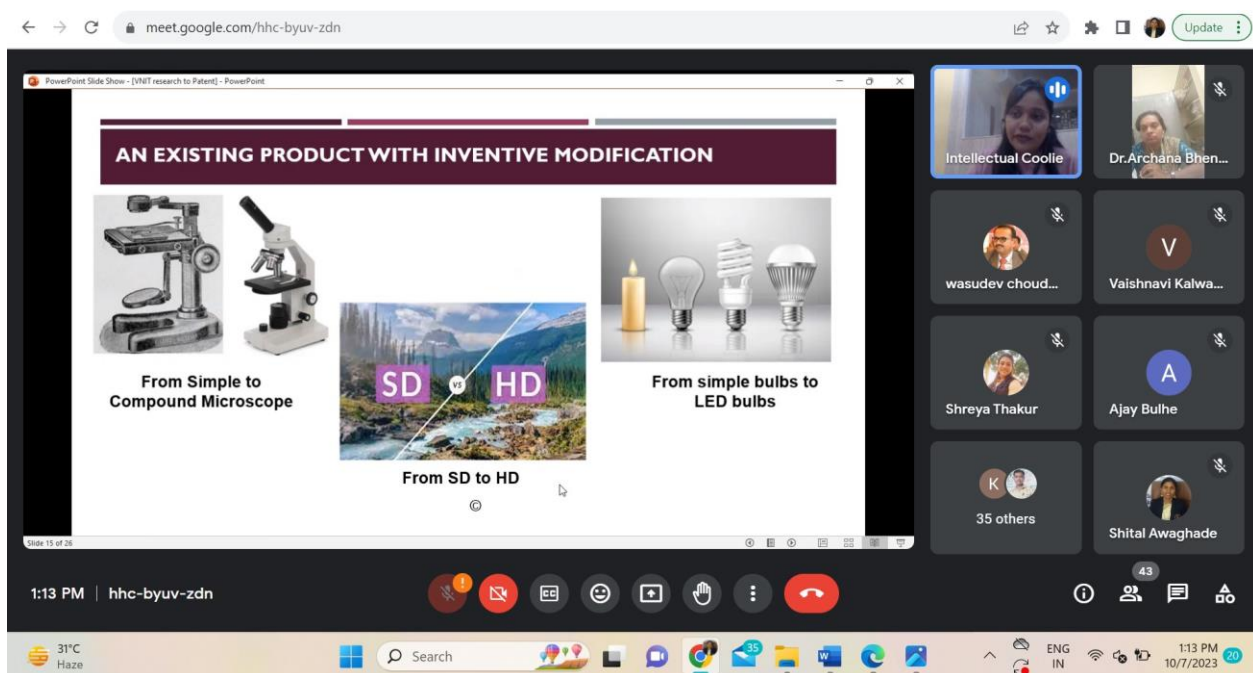

Ms. Megha Agrawal began her session by discussing the importance of protecting one's intellectual creations, be it a research paper or a novel invention. She elucidated the journey from a research paper to a patent, highlighting the steps and considerations involved in converting intellectual ideas into legally protected assets. A lively question and answer session followed the presentation, allowing participants to seek clarifications and gain deeper insights into specific IP-related queries.

The programme saw active participation from the faculty, research scholars, and postgraduate students from various disciplines. The organizing committee of this Workshop Dr. Manohar Ambatkar, Mrs. Shital Awaghade and Dr. Rajvilas Karmore played a crucial role in ensuring the smooth execution of the programme. Their dedication and efforts deserve appreciation for making this event a resounding success.

## Objective of the event:

- To raise awareness about the importance of intellectual property rights (IPR) in academia and research.
- To help researchers to understand the process of transforming their research findings from a paper or idea into patentable inventions.
- To explore strategies for commercializing patented inventions, including licensing agreements, partnerships and entrepreneurship opportunities.
- To keep participants informed about recent changes and developments in intellectual property laws and regulations.
