Result analysis.

Total 25 students got below hundred marks in subject of Botany in sem II, were selected as a slow learner.

Out of 25, after analysing result of sem III 7 students not appeared for exam, 1 student absent for examination, 4 marks decreases than before. Result of 13 students get improved than sem II.

Total Students: 25
Marks Increases: 13
Marks decreases: 4
Not appeared for exam: 7
Absent: 1

Result of 12 students - which were selected after result of sem III means - 7 students were not appeared for sem III exam, 1 student found absent for examination, and marks of 4 students decreased in sem III than previous.

I personally talk with those 8 students who were not appeared to exam & absent for examination and insist them to appear for examination.
