Dear Dr. Hate,

Greetings from the Department of Botany, Vidya Vikas Arts, Commerce and Science College, Samudrapur.

On behalf of the Department of Botany, I express our sincere gratitude to you for delivering an insightful and informative guest lecture on "Plant Systematics" on 8th January 2026. Your scholarly presentation, clarity of concepts, and lucid explanation of modern approaches in plant systematics greatly enriched the knowledge of our undergraduate and postgraduate students.

The lecture was highly appreciated by both students and faculty members for its academic depth and relevance to the current syllabus and research trends. Your interaction with the students and readiness to clarify their queries made the session truly engaging and meaningful.

We are thankful to you for sparing your valuable time and sharing your expertise with us. We sincerely hope for your continued association and look forward to organizing similar academic interactions with you in the future.

Once again, we convey our heartfelt thanks for your kind cooperation and support.
